ADMISSION TO THE SERVICE ACADEMIES

Admission to the Academies is a two-tiered process. You must first receive a nomination from your Member of Congress or Senator, and then your application will be reviewed by the Academy for final appointment and admission to the respective Academy. To be eligible for a Congressional nomination and an appointment to a U.S. Service Academy, you **MUST** follow two procedures at the same time:

1) Consideration for a Congressional Nomination

(Congressional Office)

When your completed nomination application is received, a file will be opened and maintained in your name in Congresswoman Beatty's Columbus office. You may add information, letters of recommendation, transcript, SAT scores, etc. at any time until the deadline in October 2015.

2) Consideration for an Academy Appointment

(Academy Admissions Office)

When each academy receives your completed pre-candidate questionnaire (which YOU MUST request from each academy), a file will be opened and maintained in your name in the admissions office. You may add information to your file at an academy, as instructed by each academy. Be aware of deadlines and keep in touch with academies!
