Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Next Generation Sequencing Equipment in fiscal year 2022. The entity to receive funding for this project is the Research Institute at Nationwide Children's Hospital, located at 700 Children's Drive, Columbus, Ohio 43205.

The funding would be used to support the purchase of next-generation sequencing equipment at the Institute for Genomic Medicine to accelerate the clinical and research capabilities by analyzing the genomes of patients with cancer, infections (including COVID), and other diseases..

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

  
Joyce Beatty  
Member of Congress
