The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Morse Road Corridor Improvement between U.S. Route 62 and Reynoldsburg-New Albany Road in Fiscal Year 2027. The entity to receive funding for this project is Franklin County Engineer's Office, located at 970 Dublin Road, Columbus, OH 43215. The funding would be used for improvements to the Morse Road corridor between U.S. Route 62 and Reynoldsburg-New Albany Road, including completing detailed design, acquiring necessary right of way, and beginning construction. The project is an appropriate use of taxpayer funds because it will reduce congestion, shorten travel times, and improve safety by eliminating conflict points and reducing crash frequency and severity.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Joyce Beatty".
