The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Brice Road Corridor Redevelopment & Multimodal Enhancements Project in fiscal year 2025. The entity to receive funding for this project is the City of Reynoldsburg, located at 7232 E. Main Street, Reynoldsburg, OH 43068.

The funding would be used to develop improved roadway and intersection designs, new pedestrian and bicycle paths, and the undergrounding of communication and utility infrastructure on the Brice Road corridor between Main Street and Livingston Avenue. The project is an appropriate use of taxpayer funds because it will provide improved traffic flows, safe access for cyclists and pedestrians, and unlock this area of the community for future economic development.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Joyce Beatty
Member of Congress
