The Honorable Tom Cole
Chair
House Committee on Appropriations
H-307 The Capitol
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Havens Corners Road Roundabout Phase 1 Improvements Project in fiscal year 2025. The entity to receive funding for this project is the Franklin County Engineer, located at 970 Dublin Road, Columbus, OH 43215.

The funding would be used to reconstruct the existing signalized intersection of Havens Corners Road at Taylor Station Road and the existing stop-controlled intersection of Havens Corners Road at Mann Road with a “peanut” multi-lane roundabout. The project is an appropriate use of taxpayer funds because it will improve road safety and reduce congestion along a major thoroughfare.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Joyce Beatty
Member of Congress
